EMPLOYMENT

Marnell Architecture | Las Vegas NV | Jan 2005 - Dec 2011

Worked directly with founder Tony Marnell on personal projects, as well as with Senior Project Architects, Interior Designers, Consultants, Owners, Construction Managers, Superintendents, and Sub-Contractors through all phases of company projects. Responsibilities included design coordination, field coordination, team leadership, project management, and deliverables from design graphics to construction documents.

CHORA Architecture & Urbanism | London ENG | Nov 2003 - Apr 2004

Worked directly with founder Raoul Bunschoten, as well as with various team members to translate concept sketches into computer drawings.

EXPERIENCE

The M Resort Spa Casino | Las Vegas NV

Fast-track design and build project for a new luxury resort consisting of 390 guestrooms, 92,000 square feet of gaming, 23,000 square feet of spa and fitness facilities, as well as retail, restaurant, bar, pool, and convention facilities located within a 90 acre master planned site.

The M Pavilion | Las Vegas NV

Fast-track design project for a new fabric structure located on the 90 acre master planned site of The M Resort Spa Casino, and consisting of 25,200 square feet of rentable space for stage and exhibition events.

Hollywood Casino | Columbus OH

Design project for a new LEED Silver luxury casino consisting of 130,000 square feet of gaming, as well as retail, restaurant, and convention facilities located on a 103 acre master planned site.

SLS Las Vegas | Las Vegas NV

Complete renovation design project for the existing Sahara Hotel based on the re-branding of the property by designer Phillipe Stark.

The Lakehouse | Victor MT

Design and build project for a new, single story, 3,500 square feet private cabin consisting of two bedrooms, and a 2,000 square feet great room that includes a master chef kitchen with walk-in refrigerator.

The Estate at Southern Highlands | Las Vegas NV

Design project for a new, two story, 19,500 square feet private residence consisting of master suite with separate his and her baths, 4 bedrooms with ensuite full baths, media room, indoor basketball half-court, indoor batting cage, fitness room, elevator, and four car garage.

DesertXpress Rail Line | Las Vegas NV to Victorville CA

Design project for a new high-speed rail line with stations in Las Vegas and Victorville, and future connection to the California High-Speed Rail.

Clonmany Parish Maps | Donegal IRL

Mapping project based on the Urban Gallery, a method of analyzing the urban condition developed by Raoul Bunschoten.

Silver Springs Veterans Memorial | Silver Springs PA

Competition project for a memorial dedicated to the U.S. armed forces.
